RE: PROBATIONARY INTERVIEW

Dear Dr. Grayson:

Based upon your interview with the Board of Osteopathic Examiners in Medicine and Surgery at their meeting of July 12-13, 1991, the Board voted to AMEND the terms of your probation to eliminate the requirement for psychiatric counseling.

You will be notified at a future date of the time and place of your next interview with the Board.

Should you have any questions, please feel free to contact me.

Sincerely,

Robert J. Miller, Ph.D.
Executive Director
